

CONDOCafé

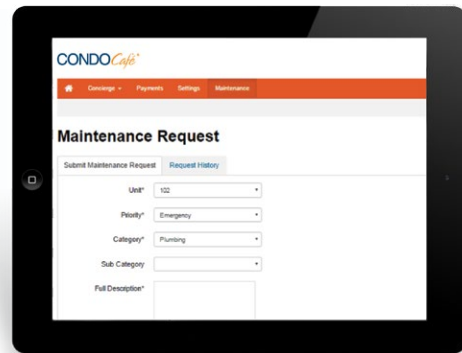

Go paperless and empower your condo association, owners and buyers with an online platform fully integrated with Yardi Voyager.

CONDOCafé

Leverage exclusive online solutions developed for condo, co-op and homeowner associations to boost efficiency at your office. CONDOCafé and CONDOCafé Certificates integrate with Yardi Voyager to provide secure access to real-time financial information, ledgers, documents, ownership details and more. Accurate electronic records eliminate filing, photocopying and storage costs.

Online maintenance requests enable speedy handling of repairs.

Owner Services

Increase satisfaction by providing in-demand, expanded services that owners expect. Available as both a responsive website and a mobile app, the owner portal allows owners to easily, securely and instantly update their profiles, view balances, make payments and submit maintenance requests and suggestions for the community. Encourage owners to stay connected with your community through online announcements and calendar events.

Document Management

Assign documents to specific groups and roles in your organization, including legal owners, board members and committee members. Owners and residents can be assigned to one or more groups with the ability to download documents from within CONDOCafé.

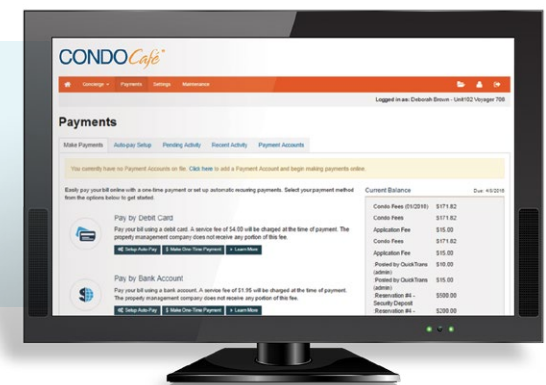

Property Marketing

Showcase your condo properties with marketing websites that provide appealing, content-rich designs and easy-to-use features including large photo displays. Responsive design increases your mobile presence and improves the digital experience for customers. You can also create a corporate website to market your condo management services.

Real-Time Access

Give owners immediate access to up-to-the-minute information about their properties, including profile updates, ledger activities and maintenance requests, without compromising security or privacy.

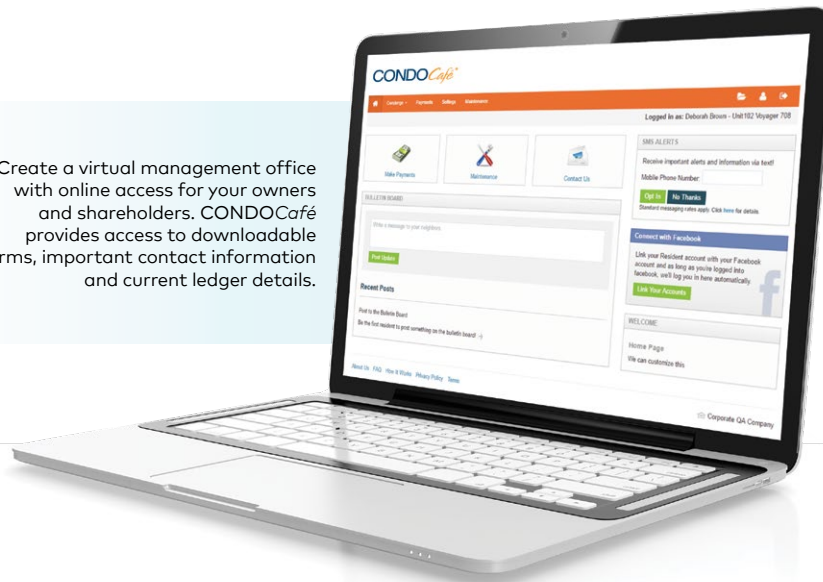

Online ledgers display real-time account information. Online payments provide convenience.
